TLP01701J / TLP01702S

ZN Series Auto Faucet

 SOFT FLOW Faucets touch the skin gently, causing almost no spatter as you wash your hands. The feeling is soft, lustrous and enriching. Sensor-operation eliminates the need for levers or buttons to touch.

Specifications

Material: Brass
Water Usage: 3.0L/min

Water Pressure: 0.05MPa~1.0MPa

Parts description

 TLP01701J Auto Faucet (Spout Only)
